

Calgary West Little League Minor B Rules Highlights

Minor B only Revised for the 2018 Season

The information contained in this document highlights important rules from the Official Little League Rule Book as well as special rules specific to the CalWest Minor B baseball program. The purpose of this information is to achieve consistency in the playing of all games, by applying all playing rules in the same manner for all teams, ensure maximum playing time can be achieved for all players, and to allow all players to learn about the game of baseball.

CalWest has fair play rules that are contained in a separate document that will be handed out to all coaches. Parents and players are to read this document and then sign off confirming that they understand the rules.

The following information is contained in this document:

- Highlights and key rules to be aware of that are contained in the Official Little League Rule Book
- Rules specific to the CalWest Minor B program

Supplementary & Important Rules

- 1) **One of the goals in Minor B is to allow players to be given the opportunity to make plays. For this to happen the ball has to be put in play. Pitching can be inconsistent at this age group often resulting in walks and minimal involvement of players in the field. To allow for quick play, balls in play, and chances for kids to pitch there are two pitching modifications that are put in place:**
 - a. **Every hitter that comes up will start with a 1-1 count**
 - b. **Rather than a walk on a fourth ball the coach of the hitting team will be allowed two pitches to his hitter. The hitter will either put the ball in play or be 'struck' out.**
- 2) CalWest has a system in place to try and provide umpires at every game. In a situation where umpires are not available the following applies:
 - a. Home team is responsible for providing a plate umpire
 - b. Visiting team is responsible for providing a base umpire
 - c. Should only a plate umpire be scheduled they can choose if they want to utilize the services of a base umpire
 - d. The plate umpire shall call a liberal strike zone to encourage players to hit the ball. The strike zone is the sole judgement of the umpire and shall not be questioned.
- 3) Home teams shall occupy the 1st Base dugout/bench
- 4) Lineups
 - a. All players present for a game will appear in the batting lineup (continuous batting order)
 - b. Late players may be inserted at the bottom of the batting order as they arrive. Players arriving late may enter the game provided that their name was listed on the line-up card as a substitute at the start of the game.
- 5) Number of Players Present to Play a Game
 - a. A team must field a minimum of 8 players to start and finish a game
 - b. If less than 8 players are present the teams should agree to pool the players and play a friendly game. The game will be recorded as a forfeit
- 6) Forfeit of games shall be scored 6-0, regardless of the score when the forfeit occurs
- 7) Only the team manager and the two (2) coaches that appear on the official team roster may be on the field or in the dugout area with the team during a game. This is for insurance and safety related issues. Single game, temporary coaching replacements must be reported to the division coordinator in advance of a game by the team manager. **An email to the coordinator prior to the game start suffices.**
