Supplementary & Important Rules

NEW THIS YEAR

Game Coordinator(Umpire Liaison)

Thank you for volunteering to advocate for our young Umpire. If the game becomes too intense for the Umpire to maintain control of the game and/or the participants, you will be responsible for ensuring all participants remain respectful and calm.

Instructions: Remain Neutral: Do not sit near either bench, do not approach Umpire unless requested, do not question or point out any missed calls, only engage if either the Umpire requests assistance or if the Umpire appears to need help from an adult, confirm that the Umpire has safely left the field after the game without any interference from fans/participants

One of the goals in Minor B is to allow players to be given the opportunity to make plays. For this to happen the ball has to be put in play. Pitching can be inconsistent at this age group often resulting in walks and minimal involvement of players in the field. To allow for quick play, balls in play, and chances for kids to pitch there are two pitching modifications that are put in place:

- Every hitter that comes up will start with a 1-1 count**
 - Rather than a walk on a fourth ball the coach of the hitting team will be allowed two pitches to his hitter. The hitter will either put the ball in play or be 'struck' out. However, the batter can be still considered "alive" if he/she hits a foul ball and gets another coach pitch.**
- 1) CalWest has a system in place to try and provide umpires at every game. In a situation where umpires are not available the following applies:
 - a. Home team is responsible for providing a plate umpire
 - b. Visiting team is responsible for providing a base umpire
 - c. Should only a plate umpire be scheduled they can choose if they want to utilize the services of a base umpire
 - d. The plate umpire shall call a liberal strike zone to encourage players to hit the ball. The strike zone is the sole judgement of the umpire and shall not be questioned.
 - 2) Home teams shall occupy the 1st Base bench, Visiting teams shall occupy the 3rd base bench

- 3) Lineups
 - a. All players present for a game will appear in the batting lineup (continuous batting order)
 - b. Late players may be inserted at the bottom of the batting order as they arrive. Players arriving late may enter the game provided that their name was listed on the line-up card as a substitute at the start of the game.
- 4) Number of Players Present to Play a Game
 - a. A team must field a minimum of 8 players to start and finish a game
 - b. If less than 8 players are present the teams should agree to pool the players and play a friendly game. The game will be recorded as a forfeit
 - c. **Call across list for each division will be provided by Player Agent to help fill rosters if short players. Managers will connect with fellow managers to seek out player availability.**
- 5) Forfeit of games shall be scored 6-0, regardless of the score when the forfeit occurs
- 6) Only the team manager and the two (2) coaches that appear on the official team roster may be on the field or in the dugout area with the team during a game. This is for insurance and safety related issues. Single game, temporary coaching replacements must be reported to the division coordinator in advance of a game by the team manager. **An email to the coordinator prior to the game start suffices.**
- 7) Official Scorekeeper & Pitch Count Recorder (Pitch Count Rules and Scorekeeping are discussed in more detail later in the this document)
 - a. Home team is the official scorekeeper
 - b. Visiting team is the official pitch counter
 - c. Winning teams send in the game records to the League Coordinator the night of the game. The Game Record should include:
 - i. Final score
 - ii. Pitcher's name, age, and pitch count. Need to note thresholds if applicable
 - iii. In the event of a tie, home team send in game record
- 8) Run Limits are as follows:
 - a. **Maximum Five runs per inning for Minor A, Maximum Four runs per inning for Minor B.**
 - b. Modified Mercy Rule (LL Rule 4.10(e)): If after 4 innings one team is ahead by 10 or more runs (after 3 ½ inning if home team is ahead) , the team with the least runs will concede victory to the opponent
 - c. **Minor A - The sixth inning or last inning when declared by the umpire, provided it begins before the 2-hour time limit, is an 'open' inning: three outs must occur to end the inning. No inning for Minor B will be played as 'open'**
- 9) Length of Game
 - a. Games are the lesser of 6 innings OR time limit as defined below
 - b. No new inning shall start two hours after the **scheduled** game start time
 - c. The plate umpire has the sole authority to declare last inning. The umpire **MAY** designate the last inning based on the two hour limit. Even if the umpire does not declare last inning, no inning shall start after the two hour limit. It is the manager's responsibility to manage appropriately
 - d. **The next inning begins after the last pitch of the previous inning. (ie. If the game starts at 6pm and the last pitch of the 5th inning occurs at 7:59, the 6th inning is played)**
- 10) Tie Games
 - a. Extra innings shall be played to break a tie provided no extra inning starts two hours after the scheduled start time
 - b. All extra innings are 'open' innings; three outs must occur to end the inning
 - c. When extra innings cannot be played due to time, the game shall end in a tie
 - d. For playoffs, if time limit has been reached, an extra inning must be played to determine a winner

 - When time has been called
 - When the pitcher leaves the dirt area of the pitching mound or takes a position more than five feet from the pitcher's plate after receiving the ball or the catcher leaves the catcher's box
 - On a three ball count pitch that is a strike that the batter thinks is a ball
- d. New bat rules from 2018 (See rule book for details):

– no advancing on an overthrow to 1st base.

**** We want the kids trying to make the throws and do not want to punish them for making a poor throw or having someone not confident on the catching end of things. Kids will naturally move up a base on passed balls in this division relatively quickly.**

15) Courtesy Runner

A 'courtesy runner' may be utilized for the catcher when there are two (2) outs. The courtesy runner must be the player in the batting order who made the last out. The runner substituted for must start and complete the next half inning in the position of catcher unless injured, ejected or otherwise out of the game.

- b. Runners must attempt to avoid contact with the defensive player at a base or home plate on close plays by sliding, going around (within 3 feet) or otherwise. Runners who fail to attempt to avoid contact with the defensive player at a base or home plate shall be called out at the discretion of the plate umpire.

17) Obstruction & Interference

All infielders must not position themselves on the baselines when there are runners, in order that they do not interfere with such runners. After the ball is hit the fielders do have the right to make a play on the ball and the runner must avoid contact.

Catchers may not block home plate or situate themselves on the baseline unless they have possession of the ball.

18) Infield Fly Rule is NOT in effect

19) Dropped Third Strike is NOT in effect

1-20 pitches in a day: Zero (0) calendar days of rest

A pitcher who delivers 41 or more pitches in a game cannot play the position of catcher for the remainder of that day. **Threshold rule is in effect.**

A player that plays catcher any part of 4 innings cannot pitch that day. **A player who played catcher for 3 innings or less, then pitches 21 pitches or more, may not return to the catching position on that calendar day.**

The team manager is solely responsible for knowing the pitch count and removing a pitcher when they have reached their pitch count limit in a game. Each manager is also responsible for knowing which players are eligible to pitch.

All pitch count sheets are to be kept in a binder for the season and available for view at any game. **Pitch count reports are to be emailed to the designated coordinator after each game.**

Note the following rules changes...

- iii. Only 2 mound visits per inning per pitcher, meaning on the second visit that inning the pitcher has to be pulled. Maximum 3 mound visits in a game then the pitcher must be removed.

A maximum of five warm-up pitches from the pitching mound shall be allowed for pitchers substituted during an inning.

A rostered player may warm-up a pitcher off the field area if they are entering the game, provided they are wearing a set of catcher's gear.

23) Illegal Pitch

Pitchers must maintain contact with the pitching rubber during delivery of each pitch, and; After commencement of the pitching motion the pitcher must complete the pitch (no stopping delivery of a pitch in mid motion).

Failure to do either shall result in the batter being issued a called ball at the discretion of the plate umpire.

24) Base Coaches

The team at bat shall position two base coaches on the field (one near 1st base, and one near 3rd base). Coaches may be two rostered players, one adult and one rostered player, or two adults (provided at least one adult remains in the dugout or bench area with the team).

The adult base coach(es) must be a rostered manager or coach or a substitute coach, provided the Manager of the Team has notified the Minor's Coordinator of the need for the substitute coach and that substitute coach has a valid police screening completed with CWLL. Rostered players acting as a base coach must wear a batting helmet.

- 25) In the event of thunder or lightning the plate umpire should suspend the game for 30 minutes and send participants to their vehicles. The plate umpire and managers will then confer and a decision to continue will be based on safety of participants

26) Richmond Green North:

The safety fence along the 1st base side of the field marks the edge of the playing field and dead ball territory. Should an overthrown or deflected ball hit the fence or go over the fence it shall be a dead ball and runners placed appropriately.

27) Rescheduled Games

To the extent possible, postponed or suspended games shall be rescheduled before season end.

Both managers must agree as to the rescheduled date and time of the game and **the game must be rescheduled with the division coordinator within 24 hours or the coordinator will reschedule the game for you.**

28) All teams make the playoffs -
